Hello!

Enclosed please find an revised FEC Form 1 for Resounding Books PAC (FEC ID # C00541631).

I will be taking a short-term job that necessitates my turning over treasurer duties for the PAC to another responsible party for several months. The form provides the information for the new treasurer and custodian of records. The form also notes the date on which this change takes effect: today, March 3rd, 2016.

Going forward, please reach out to the new treasurer, Jeffrey D. Horn, should you any questions or concerns about this transition or any financial reporting for this PAC.

Sincerely,

Kirsten E. Lombard
